Keynote session

Dr. Alane Cahalane

The bear who changed my life:
Elevating our profession through superhero moments

Not all heroes wear capes.
Most wear scrubs.

Friday, May 3 at 8 a.m.

Room 309

(Don't forget to grab some breakfast in room 314 first.)

Check out Dr. Cahalane's heroic credentials:

- >Dr. Cahalane is the first board-certified specialist in small animal surgery to practice and reside in Hong Kong.
- >She has performed thousands of cutting-edge surgeries on animals, including the use of 3D printing technology to revive a lame moon bear that spent years in cruel captivity.
- >She received her DVM from Tufts and performed her residency at Cornell, after which she moved to China and eventually opened the Veterinary Specialty Hospital of Hong Kong.
